Design Atelier - MODERN, Suite 1848  
 Our new Boston Nightstand provides just a glimpse of the enormous James Duncan line and gold hardware that is becoming a favorite again in classical modern pieces. Everything from upholstery and casegoods to accessories and rugs identify this exciting and versatile line.

Design Atelier - TRADITIONAL, Suite 6-148 Look what is new! A graceful wood frame cradles expertly hand-tied upholstery on the Madeira Settee by Poet Furniture. As usual, have it your way: any size and any finish.

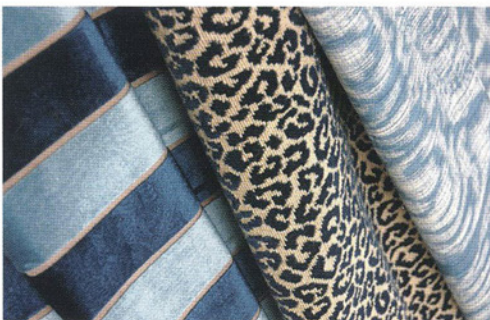

Dessin Fournir Companies, Suite 1813 Dessin Fournir introduces Porter Teleo's handmade textile collection, consisting of beautiful natural fibered textiles that are both hand dyed and hand painted by artists. The patterns are created through a series of shapes, no two are ever the same. Also, Conrad, debuts seven distinctive new hand-woven sunshades.

Direct Rug Import, Suite 15-102  
 Can you dig it? Hand knotted craftsmanship and retro styling "Good Mood" is an incredible eye catcher! This exciting and eclectic piece is a favorite for transitional placements. Each is 100% wool, in stock and woven to order for special sizes, stop by and dig it in person at Direct Rug Import.

Donghia Inc., Suite 631  
 Donghia Chicago now represents Porta Romana lighting and David Goldberg wall covering.

Duralee, Suite 624 Traditional styling has returned with a new edge in the **Greenwich Collection by HIGHLAND COURT®**. **Greenwich** features fresh, yet timeless fabrics in luxurious fibers designed to accentuate new traditional aesthetics. English florals, ikats, damasks, and plaids mix with rich textures to create a collection that contains both masculine and feminine design elements in a wide variety of scales to create harmony and comfort in the home.
